

We believe the most groundbreaking hearing aid in the world should be stylish, as well. That's why our Destiny 1600 BTE comes in a variety of sleek, attractive colors. Wearing Destiny means having the best and looking your best.

The Destiny 1600 is built with best-in-class Active Feedback Intercept, superior directionality and environmental switching, the Destiny 1600 also provides superior "touchless" performance and a host of advanced benefits:

VOICE INDICATORS — The option of using speech, with male or female voices, to alert you to low battery, memory, as well as others.

SELF CHECK — Simply opening and closing the battery door three times runs a diagnostic check of the microphone, circuit, and receiver.

REMINDER — To help remind you of maintenance and return visits, we've included an audible follow-up reminder.
