

1600

The world's most automatic hearing aid.

Destiny™ is the only hearing instrument built with cutting-edge nFusion™ Technology, offering superior sound quality, comfort, convenience, and virtually no feedback.

The new Destiny 1600 is the latest groundbreaking device powered by nFusion Technology, featuring:

ACTIVE FEEDBACK INTERCEPT — The most effective feedback cancellation system on the market today.

ACOUSTIC SIGNATURE — A state-of-the-art sound management tool that automatically detects, classifies, and adapts to different sound environments seamlessly.

DIRECTIONAL SPEECH DETECTOR — Offers superb directionality and the quietest noise floor in hearing aid history; available on the Destiny 1600 BTE.

THE 1600 ALSO OFFERS A FULL PACKAGE OF ADVANCED BENEFITS, INCLUDING:

VOICE INDICATORS — The option of using speech, with male or female voices, to alert you to low battery, memory, as well as others.

SELF CHECK — Simply opening and closing the battery door three times runs a diagnostic check of the microphone, circuit, and receiver.

REMINDER — To help remind you of maintenance and return visits, we've included an audible follow-up reminder.

COLORS — A full range of attractive colors are available on the Destiny 1600 BTE, making hearing not only effortless, but stylishly smart.
